stump the somm

our very own master sommelier candidate, alistair veen, is up to the task of blinding any classic wine you bring in. if he can't call the region and varietal of your wine, your \$25 corkage is on us. we've included a couple links to the wines that the masters consider classic, however there are plenty of delicious non-classic wines out there, so drink up!

corkage

we are thrilled to open two 750mL bottles per table for \$25 per bottle. every bottle thereafter is \$50 per bottle. our only requests are that you don't bring in a bottle that is already on our list; also we are not permitted to open any home-brew or u-brew, no matter how good your dad says it is. *pro tip: it's not that good.

Tuesdays are free corkage all day long for your first two bottles.
